There is not enough good things to say about this heifer here. She looks like a plain white heifer but actually she carries the double wild gene, meaning she can not throw a red calf. She she has the color thing down and paired with the right bull it should be magic. She also is a 7 on the tenderness scale and a great milker for a first time heifer. She is easy going and I love the direction of her horns, she has a low nice twist started. We paired her
