We love our RC Pacific Pirate heifers, they never disappoint. She is a sweet heifer who always comes to say hi in the pasture. She is a very easy keeper and is starting to put the horns on. He dam had over 100 TH before we sold her and i have no doubt that between Pirate and her dam this girl will start cranking out some horn. She has a great body and her DNA results speak volumes . She has been turned out with our bull G3 Zane
