Well this young bull has passed the first steps for being a bull. He is looking great for a 1 year old, his horns are nice and going in a direction we like, his dam has over 100 inched TH as does his Sire. His dam is a milking machine and very easy going. His Sire is one of the most easy going bulls I have been around. This bull also has the hip I like to see on a young bull. His half sister carries the double wild gene and he should too. That making his
