We are super excited about this heifer, she is out of the first calf crop of JH Lightning In A Bottle. Her dam and sire both have top notch pedigrees and this girl is a total package heifer. He dam is an amazing milker and keeps her body weight while raising a big calf, her sire is on his way to being the first true black bull to hit 90TTT. We have big plans for this girl.

Total Horn: 74.0000 on 03/19/2024
TTT: 60.0000 on 03/19/2024
