This girl has horns for days. She is an amazing cow and we are so excited to have her in our pasture. Her dam is a legend in the longhorn breed as well as her sire. Her full sister is 95.25 tip to tip and her half sister is 94.125 tip to tip. Her pedigree is top notch. We are excited to pair her up with the top of the line bulls to see what her offspring can really do.
